

# SMART™ Boards!

## Play & Learn has a SMART Board in every Center!

Visit us to see it  
in action!

Combining the simplicity of a whiteboard with the power of a computer.

“My daughter loves the SMART Board! She told me it’s like an iPad on the wall...and she loves my iPad!”  
Kathryn Duffy, Parent of Madeline, Age 3

Learn more about  
Play & Learn’s  
educational  
approach to  
technology:

SMART Boards are used in our classrooms to:

- Illustrate and write books as a class
- Explore eBooks that read aloud to us
- Utilize an electronic word wall
- Build our vocabulary skills
- Play matching games
- Play counting games
- Practice our handwriting
- Compare and contrast
- Develop our phonics skills
