“Play is often talked about as if it were a relief from serious learning. But for children, play is serious learning. Play is really the work of childhood.”

Fred Rogers
I acknowledge receipt of the Play & Learn Family Handbook and agree to be bound by its requirements as a condition of my child’s acceptance into the program. I understand this handbook represents current policies and procedures. I will be notified of any changes or additions to the handbook.

I further agree that, if thirty days written notice of withdrawal from the program is not submitted, I will be responsible for payment for the days which my child would ordinarily be scheduled to attend during the thirty day period.

Dear Families,

Welcome to Play & Learn. We look forward to providing your child with the best in quality child care and early education. Please review the information in this handbook carefully. Questions or concerns which are not addressed in the following pages may be answered by your Center Director or by calling the Play & Learn Administrative or Accounting offices at any time.

We look forward to caring for your child and welcome you to our Play & Learn family!

Sincerely,
Judith Cooper, M.A.
Executive Director

Mission
Play & Learn strives to serve families and children by providing a supportive and secure environment where children ages six weeks through ten years can play, learn and develop positively and in which parents can have confidence.

Philosophy
At Play & Learn, we are dedicated to the positive development of each child in our care. We believe that as children interact with people and materials in a learning environment, they develop their own unique concepts and ideas.

They expand their cognitive, social, emotional and motor abilities through challenging, yet non-stressful, activities in a nurturing atmosphere. Play is work for the young child, allowing them to develop a meaningful understanding of the world around them.

Organizational Structure
Play & Learn is a not-for-profit 501(3) C organization governed by a volunteer Board of Directors. The Play & Learn Executive Director reports to the Board of Directors and oversees the operations of Play & Learn. Each Play & Learn Center has a Director, who manages their Center’s daily program. The Center Directors report to the Executive Director. They are supported by the Central Administrative Team, which includes Marketing, Enrollment, Accounting, Program, Employment and Development.

Program Overview
With 10 locations throughout Montgomery County, Play & Learn provides year-round, high-quality care and early education for children ages six weeks through kindergarten. We offer award winning infant care, a High Reach toddler curriculum, and Department of Education licensed preschool, certified kindergarten and before and after kindergarten programs at several locations. All programs are licensed by the Department of Human Services.

Play & Learn provides management services to the Abington Jefferson Health Gerstadt Center, Montessori Children’s House schools in Blue Bell and Horsham and Jenkintown Day Nursery in Jenkintown. For more information, please call 215-643-4142 or email admin@playandlearn.com.

Play & Learn maintains an Open Door Policy and welcomes parents/guardians to visit their child.

Camp Kaleidoscope, the summer program of Play & Learn, offers Play House for children ages two through six.

Play & Learn also has a Back Up Child Care Program, providing temporary placement for families seeking as-needed drop-in care. Back Up Emergency Care not available at Abington Gerstadt Center.

Keystone STARS
All Play & Learn centers are currently participating in the Keystone STARS Certification Program. Keystone STARS is a four-level program in Pennsylvania to evaluate and improve the quality of child care. The program offers Standards, Training, Assistance, Resources and Support (STARS) to child care providers to improve and recognize achievements. For more information about the Keystone STARS Program, visit their website at www.pakeys.org.
Programs & Curriculum

Play & Learn offers a developmentally appropriate, educational curriculum for infants through Kindergarten. We focus on social and emotional development as well as physical movement and creative expression. Our programs integrate hands-on activities, imaginative play and real life experiences which foster learning at each age level. We believe that play is work for young children, allowing them to develop a meaningful understanding of the world around them.

Our staff, experts in early childhood development and education, observe and evaluate each child’s learning, behavior, progress and adjustments. Through encouragement, staff help each child develop his own pattern of interests and talents.

Infants
A baby’s first year is an important time filled with lots of discovery and exploration. During this time, the brain is developing at an amazing rate. Using the Bright Baby™ curriculum, infants will be stimulated throughout the day with individualized activities that arouse their physical, social, emotional and cognitive development. You'll find us playing peek-a-boo, dancing and playing with musical instruments and reading stories. We also teach our infants simple sign language, such as “more,” “milk” and “all done.”

Toddlers
We utilize the nationally-recognized HighReach© Learning curriculum for toddlers, which inspires children to learn from the world around them through sensory-related, hands-on activities. Themes are used to introduce information and learning takes place as children explore and manipulate real objects and events. Following Pennsylvania Early Learning Standards and Keystone STARS guidelines, we use everything from puppets to play dough and teddy bears to tambourines, to help children learn and practice new skills.

Preschool
Our nationally-recognized preschool Opening the World of Learning (OWL) curriculum is a strong early literacy curriculum that intertwines topics that engage children’s natural interest about the world around them into an activity-based day. The OWL curriculum focuses on the following areas of learning:

- Language and Literacy
- Mathematics
- Science and Social Studies
- Social and Emotional Development
- The Arts
- Physical Development

Children enjoy an active day in a pressure-free environment with preschool activities such as building alphabet knowledge, number concepts and imaginative play. Our teachers will work with your child to teach days of the week, months of the year, and weather conditions.

Pre-K & Kindergarten
Following the nationally-recognized Scott Foresman® curriculum focusing on reading and math readiness as well as science, social studies and creative arts, Pre-Kindergarten children begin to build strong academic skills. Unit concepts are used that focus on a main idea that connects learning with hands-on activities and real life experiences. With the use of mini books, flip charts, alphabet charts, picture cards and song books children are able to develop reading skills and read along with the teacher, build their development of enumeration, arithmetic and measurement and begin handwriting.

The Scott Foresman© Kindergarten program builds on the foundation set forth in the pre-kindergarten program. Children develop a higher understanding of phonics, word analysis, syllabication and context to make sense of and understand new words that facilitates independent reading. Individual practice books allow children to expand their skills with place values, geometry shapes and drawings, fractions, time and creative writing. Hands-on activities provide an educationally enriching environment for science exploration. Children will leave the Kindergarten program as confident readers, with the necessary tools to enter first grade.
School Age Program
The Kindergarten Plus (Before & After Kindergarten) provides enrichment programming for children who attend public or private half-day kindergarten elsewhere. Available at Collegeville, Hatboro, Lansdale and Norristown centers.

The Kindergarten Plus program provides a safe and supervised place for children to enjoy indoor and outdoor sports and games, homework help, arts and crafts, science and nature projects, cooking and more.

Transportation for the before and after school programs is available to and from Arrowhead Elementary, Eagleville Elementary and Worcester Elementary (Collegeville), Crooked Billet Elementary (Hatboro), Inglewood Elementary (Lansdale), and Musselman Learning Center (Norristown).

Curriculum Enhancements
Play & Learn offers several enhancements to the daily routines of our children. Toddlers and Two’s participate in biweekly music and gym programs as part of their program. Lil’ Sports is an educational physical fitness program geared to young children. Milestones in Music is an educational music program for young children. Preschool, Pre-K and Kindergarten students participate in biweekly Spanish, gym, and theater as part of their programs. The Spanish Exploradoras program will introduce children to beginning Spanish vocabulary through games, songs, and activities. As part of the gym program, children will participate in a Fall and Spring session with Soccer Shots! coaches to learn soccer fundamentals. Theatre Tots, an early learning acting program, will be part of the Winter and Spring program. Theater Tots helps preschoolers to build self-confidence, creativity and public speaking skills through both imaginative play and performance.

In addition, computers and/or Smart TV’s in every preschool classroom are used daily as a part of Play & Learn’s curriculum. A Smart Board at each of our centers provides a visual, interactive learning environment for children. These programs are paid for through the fundraising efforts of our families and are offered at no extra costs.

Camp Kaleidoscope
Camp Kaleidoscope is a 10-week summer program at Play & Learn that runs from mid-June through August. From arts and crafts to picnics, water play and special events, children will get to experience the wonders of a summer vacation close to home. Camp Kaleidoscope offers flexible scheduling, allowing parents to take advantage of family vacations and time off from work. You can enroll your child for the entire summer, or just specific weeks or hours. The Camp Kaleidoscope Play House program is for children ages 2-6 years.

Back Up Emergency Care Program
Play & Learn also has a Back Up Child Care Program, providing temporary placement for families seeking as-needed drop-in care. The Back Up Child Care Program has a separate enrollment process. This program can be used in a variety of situations which may include a sick caregiver, business travel, doctor’s appointments or any disruption in child care arrangements. If interested in this unique program, please contact Play & Learn’s Enrollment Office at 215-643-4142 or via e-mail at admin@playandlearn.com. Back Up Emergency Care not available at Abington Gerstadt Center.
**Enrichment Fundraising**

Proceeds from Enrichment Fundraising support your child’s music, gym, language and soccer programs. The fundraisers includes:

**Giant A+ School Rewards Program**

A+ School Rewards are points that accrue with each purchase at Giant supermarkets using your BONUSCARD. At the end of each month, the A+ School Rewards are used in a calculation to determine your center’s cash total, which, then, is automatically credited to your center’s account. At the end of each month, your center’s dollar amount is determined using a specific formula.

Your child’s center has the potential to earn lots of money through this wonderful program. During the 2016-2017 school year, Play & Learn families raised over **$4,500** just by doing their normal grocery shopping!

Registration for the 2017-2018 school year will begin in September. The program runs from October through March. You can register anytime between the program dates. If you have previously registered for the 2016-2017 school year, you will not need to re-register your BONUSCARD this year, however please make sure your current information on file is up to date.

**Center Identification Numbers:**

Abington: 26696  
Bryn Mawr: 26706  
FW Preschool: 26686  
Norristown: 26722  
Ardmore: 26705  
Collegeville: 26688  
Hatboro: 26684  
Royersford: 26727  
Blue Bell: 26699  
FW Infant/Toddler: 26704  
Lansdale: 25563

**AmazonSmile**

Amazon, the world’s largest online retailer has created a fundraising program called AmazonSmile. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer’s selected charitable organization. All you need to do to start donating to Play & Learn is to create a free AmazonSmile account by visiting smile.amazon.com. Once you’ve created your account, select “Play & Learn-Ft. Washington, PA (EIN 23-2192153)” from the list of charity’s that you can support. If you already have an Amazon account, you can use that same account to log into AmazonSmile and then chose “Play & Learn-Ft. Washington, PA (EIN 23-2192153)” from the list of charity’s. Then all you need to do is simply SHOP! AmazonSmile will do the rest! **Make sure you’re at smile.amazon.com and not at amazon.com before you shop.**

**Family Events**

Throughout the year, events such as summer/fall fairs, the Hauntless House and family dining events, are a time for families to come together and enjoy an evening out.

**KidStuff Coupon Books**

This fantastic book is packed full of coupons and special offers at places such as Acme Markets, Gymboree, Kohl’s, Crayola Factory, Hershey Park and a ton more places!

Fundraising efforts continue year-round in an effort to provide your child with the best enrichment programs at his or her center. Look for more great fundraisers to come!
Enrollment

Enrolling Your Child
Once you have visited the program and the Center Director has confirmed there is space available for your child, she will provide you with an application and other enrollment forms. The Director will also give you a Child Profile Book, which provides us with detailed information about your child. If your child has special needs, please discuss this prior to enrollment, to assure that the needs can be managed within our classrooms.

If you are seeking enrollment within 60 days and there is an opening, the Director will set an entrance date. If there is no opening or if the start date is more than 60 days from the application, you will be placed on a list for future enrollment.

When a particular room becomes full, Play & Learn will form a waiting list for that room. Placement on the waiting list will be based on the date of application.

When the Director receives notice that an opening will occur in a group she will refer to the waiting list for that group to determine the first eligible family. The family may either:

- Agree to start on date opening occurs
- Agree to begin payments as of that date to hold their child’s spot, or
- Decide to postpone enrollment.

When enrollment is postponed, the date of application will be changed to the current date, which may result in a move down on the waiting list.

To reserve your child’s spot, return the completed application forms to the Play & Learn Center Director or the Administrative Office. Along with the paperwork, the following fees should accompany your application:

- $65.00 non refundable per family registration and insurance fee. Upon receipt of the fee, your child will receive a free Play & Learn t-shirt or infant onesie. Children re-entering the program within two years of original entrance date and siblings of current children do not need to pay a $65 registration fee.
  
  - Deposit: If entrance date is 60 days or less, 4 weeks of tuition is due (2 weeks non-refundable).
  - Deposit: If entrance date is 61 days or more, $85.00 non-refundable deposit is due. In addition you, will receive a bill requesting one month of tuition 60 days prior to entrance (2 weeks non-refundable).

Any deposit paid will be credited to your first bill. Following registration, an agreement noting the payment policies and tuition for your child will be mailed to you. This form must be signed and returned to the Administrative Office prior to entrance. The original will be returned to you.

Enrollment Paper Work
Prior to your child’s first day in the program, we must receive the following:

1. Emergency Form including Photo Release
2. Medical Health Form/Immunization Record
3. Completed Child Profile Book
4. Civil Rights Compliance Parent Awareness Form
5. Agreement
6. First Month’s Tuition Payment
7. Family Handbook Acknowledgement
8. Child and Adult Care Food Program Form
9. 2x2 photo of your child
10. Emergency Plan Letter
11. IEP/IFSP if applicable

According to state regulations, emergency contact forms and agreements must be updated every six months.
Sibling Enrollment
In addition to the enrollment procedures previously listed, to reserve your child’s spot, return the completed sibling application and enrollment forms to the Play & Learn Center Director or the Administrative Office. Along with the paperwork, the following fees should accompany your application:

- Deposit: If entrance date is 60 days or less, a $100 non-refundable tuition deposit and 4 weeks of tuition is due (2 weeks non-refundable).
- Deposit: If entrance date is 61 days or more, a $100.00 non-refundable tuition deposit is due. In addition, you will receive a bill requesting one month of tuition 60 days prior to entrance (2 weeks non-refundable).

Any deposit paid will be credited to your first bill. Following registration, an agreement noting the payment policies and tuition for your child will be mailed to you. This form must be signed and returned to the Administrative Office prior to entrance. The original will be returned to you.

“Getting to Know You” Meeting
The “Getting to Know You” meeting is offered between the Director, Teacher and the parents to create a partnership between the teacher and parent and to discuss the child’s learning opportunities in the program.

Special Needs
If you are a person with a disability and require some special accommodations, please notify your Center Director so we can do our best to accommodate your needs.

Early Intervention
If any early intervention services are provided for your child, it is necessary to give the IEP or IFSP documentation to your Center Director. This information will be confidential and will assist in providing an appropriate program. The Center Director may also request an evaluation for your child if a need becomes apparent.

Waiting List/Priority Enrollment
When a particular room at the Abington Gerstadt Center becomes full, Play & Learn will form a waiting list for that room. Placement on the waiting list will be based on the date of application with priority assigned in the following order:

2. Second Priority: Children of Abington Jefferson Health Affiliate Practice Employees
3. Third Priority: Children of Abington Township Employees
4. Fourth Priority: Children of Community Families

When the Director receives notice that an opening will occur in a group she will refer to the waiting list for that group to determine the first eligible family. The Director will consider age of child, schedule and requested start date.

Parents will be called if the opening occurs within one month of their desired start date. The Director will call the first eligible family. The family may either:

- Agree to start on date opening occurs,
- Agree to begin payments as of that date to hold their child’s spot, or
- Decide to postpone enrollment.

When enrollment is postponed, the date of application will be changed to the current date, which may result in a move down on the waiting list.
Day-To-Day Care

Your Child’s First Day
Your child’s first day in a new program can be a stressful time for everyone. We recommend meeting with your Center Director one week prior to your child’s first day to review your child’s enrollment, meet with the staff, and drop off supplies. This is a good time to review the Child Profile book with the Director and staff. On the first day, plan your arrival to allow extra minutes of transition time. Feel free to call the Center at any time to check on your child’s adjustment and to assist the staff in further understanding your child’s needs.

Daily Routine
Play & Learn is open from 6:30 AM to 6:00 PM (Abington Gerstadt Center is open from 6:15 AM to 6:30 PM.) Upon arrival, bring your child and belongings to their classroom and check in with the staff. To keep you informed, each group posts a schedule of daily activities. Preschool and Kindergarten children should arrive by 9:00 AM. Parent parking is for drop off and pick up only, and is limited to fifteen minutes.

When leaving at the end of the day, check your child’s cubby/mailbox for messages, children’s artwork, or soiled clothing. Please replenish supplies the next day. Make sure to take your child’s daily communication report with you at the end of each day (for infants and toddlers.) Remember, you are required to sign your child in and out each day.

You are responsible for your child until you sign your child into his/her classroom and after signing him/her out at the end of the day. Be sure to watch your child in the hallways and parking lot. Please do not allow your child to play in rooms that are empty at the end of the day.

Nap Time
An optional nap time is provided daily. Infants nap on an as-needed basis or according to the schedule you provide. For children who are non-nappers, a variety of quiet activities are offered.

Daily Outdoor Play
Your child should have comfortable, washable and weather appropriate clothing and footwear at all times. We go outside year-round, please check with your child’s teacher for any additional clothing your child may need. Please make sure your child has two sets of extra clothing in his cubby at all times in case of emergency.

Children are expected to go outside according to Keystone STARS PA Position Statement when:

- The forecast temperature/wind chill are above 25°,
- The forecast temperature/heat index is less than 90°,
- There is no precipitation falling, and
- There is no current air quality alert.

Breakfast
Breakfast may be brought from home until 8:00 AM. Children arriving after 8:00 AM should be fed at home. Infants are fed on an as-needed basis or according to the schedule you provide.

Snacks
Play & Learn participates in the Child and Adult Care Food Program (CACFP), a program that assists in providing healthy, balanced snacks in accordance with nutritional requirements under the Department of Education.

Parents are required to complete a CACFP Enrollment Form and encouraged to complete an Income Eligibility Form for each infant/child. Infants up to 12 months of age will need an Income Enrollment Form. Infants are provided with formula, and when they are developmentally ready to accept, bread and crackers. Toddlers, preschoolers and kindergarteners will be provided with a nutritious mid-morning and mid-afternoon snack.
The monthly snack calendar is posted in your child’s classroom. A new Child and Adult Care Food Program Enrollment Form as well as the Income Eligibility Form is encouraged to be completed annually in October for each child enrolled in the program.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, Offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA.

Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.) should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the USDA Program Discrimination Complaint Form, (AD-3027) found online at http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

(1) mail: U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410;

(2) Fax: (202) 690-7442; or

(3) Email: program.intake@usda.gov

This institution is an equal opportunity provider.

Lunch
We recommend cold packs be placed in your child’s lunch box to keep items cold and fresh. Lunches that require refrigeration should be labeled and put into the refrigerator by parents upon arrival. For safety reasons, no glass containers, bottles or thermoses are allowed. Microwaves are available in each classroom for food that needs to be reheated. Our centers offer an optional lunch program, with a menu available in the monthly newsletter. Lunches are offered for $2.00, 3 to 5 days a week. Simply sign up for lunch on the “bill me” form in the classroom and your account will be billed $2.00 for each lunch that you sign up for. Please see your Center Director for details.

We do not accept cash for lunch.

Play & Learn provides daily lunch for older toddlers, preschoolers and kindergarteners at the Collegeville, Norristown and Royersford Centers. A menu is available in the center. If your child doesn’t care for the items on the menu, please provide a lunch from home.

Food Safety
Play & Learn Centers are NUT FREE (includes tree nuts & peanuts). Due to the seriousness of this allergy, no foods containing peanut/tree nut products may be brought into the building. Visit www.snacksafely.com for an suggested list of peanut free products.

Birthday Celebrations
At Play & Learn, we do more than provide healthy food at snack time and lunch time. We teach kids the importance of making healthy food choices themselves. We ask that in celebrating your child’s birthday with his or her classmates, you consider healthy alternatives to cupcakes, cookies and cake. Please remember in making your treat choices that we are a peanut and tree nut free organization.
Transitions to a New Class & Toilet Training
Group or classroom moves are made according to your child’s age, development and space availability. The Director will determine the appropriate placement for all children at the center. Your Director will notify you in advance when your child is ready to move and provide time for your child to visit and transition to his or her new group. A “Transition Meeting” can be scheduled to meet with your child’s new teachers. In order to move into a preschool classroom, children must be three years old as of September and be toilet trained. A toilet-trained child wears “big boy” or “big girl” underpants and is able to use the toilet independently without adult prompting for a period of three months. At times, a non-toilet trained child may move to a Preschool class, the level 3 fee will be charged until independent toilet training is achieved.

Discipline
We strive to create a positive and supportive play and learning environment. At times, limits must be set for the safety and welfare of each child. Children are redirected or gently removed from any problem situation. Staff members give choices and positive alternatives rather than punish negative behaviors. Physical punishment is unacceptable as a means of discipline at Play & Learn.

Biting Policy
As your child grows into a toddler, he or she may encounter incidents regarding biting. The behavior is very common among toddlers and even preschoolers. Biting incidents are managed within the classrooms and a plan of action is developed and communicated to both families. Children’s names are kept confidential. We make every effort to extinguish the behavior and to protect the children in the classroom.

Supplies
To help us care for your child’s possessions, It is incredibly important that all items brought to the center are labeled with your child’s name. Please mark all items and clothing with indelible marker or name tags. Please wash linens and blankets each weekend. Personal toys and games are discouraged at the centers, except for “Show and Tell” days. Special books that can be read at circle time are always welcome. Play & Learn cannot be held responsible for lost, stolen, or damaged personal items. Your child will need the following supplies:

Tuition

Tuition is determined by the child’s age and according to the center’s fee schedule:

- Level 1 (age 6 weeks)
- Level 2 (age 14 months as of 9/17)
- Level 3 (age 24 months as of 9/17)
- Preschool (3 years and toilet trained as of 9/17)
- Kindergarten (age determined by home school district)

Play & Learn’s fees are reviewed on an annual basis. Annual fee schedules are provided in mid-January. Changes in tuition are reflected on February bills. Abington Gerstadt Center fee schedules are provided in mid-August. Changes in tuition are reflected on September bills.

Billing & Payments

Your bill will be determined based on your child’s schedule and age level. You may contract for a regular schedule and with the Director’s approval, add hours/days on a non-contracted basis.

Billing occurs monthly for all families.

The bill is calculated by multiplying the weekly rate by 4.33 average weeks per month (this is the same as weekly rate x 52 weeks and divided by 12 monthly payments).

Payments are due in advance of service on the 25th of the preceding month. Any payments not received by the 30th of each month will be charged a $15 late fee. Families requiring a different payment schedule should contact the Accounting Office. A charge of $20 will be added for any checks returned by the bank.

Methods of Payment

Play & Learn tuition may be paid by the following methods:

Electronic Funds Transfer: For more convenient tuition payment, Play & Learn offers automatic electronic payments that will transfer funds from your checking or savings account, Visa or Master Card on the 25th of each month. Sign up forms are at the center, please see your center director for a form.

Click-to-Pay Option: Your tuition bill will be sent by e-mail from the Accounting Office by the 15th of the month. You will be able to pay your bill online using a credit card or bank draft at any time. Payment is due by the 25th of the preceding month.

Check: Monthly bills will be e-mailed. A mailed statement can be provided at your request.

Payments made by check may be placed in the box at your Center, or mailed to:

Play & Learn
Attention: Accounting
200 Camp Hill Road
Fort Washington, PA 19034

Cash: Cash payments must be brought to the Accounting Office in Fort Washington and a receipt should be requested.

Other Fees

An insurance fee is included in your registration cost and is billed annually. This annual insurance fee covers any co-pays, medications and doctor’s visits for medical/dental injuries that may occur at the center. It can also be the primary insurance for these injuries. More details are available through the Accounting Office. The Accounting Office is available by phone at 215-643-4218 or by email at accounting@playandlearn.com for questions regarding billing or tuition.

**Late Pick Up**
If you will be late picking up your child, you must call the Center to inform the staff. If you do not contact the center by 6 pm (6:30 pm at the Abington Gerstadt Center), the Emergency Contact List of persons to whom your child can be released will be called. If by 6:30 pm (7 pm at the Abington Gerstadt Center) we are unable to reach you or your Emergency Contacts, the local police department will be notified. You will be charged $10 for each 15 minutes (or portion of 15 minutes) that you are late. Late fee payments are due in your next tuition payment.

**Frequent late pick-ups (3 or more in a 3 month period), may result in termination from the program.**

**Extra Hours**
If you require extra time beyond your regular schedule, you will be billed on a non-contracted hourly basis. Any portion of an hour will be billed as one full hour and the time should be approved by the Director. For example, if you are scheduled from 9:00-12:00 and you stay until 12:30, you will be billed for the full hour up until 1:00 pm. Subsidized children may not attend more hours than approved by CCIS.

**Tuition Discounts & Financial Assistance**
Play & Learn offers the following discounts and financial assistance plans to all enrolled families. Discounts are offered on monthly contracted services and not on additional services.

1. **Abington Jefferson Health/Jefferson Hospital**: Abington Jefferson Health Employees/Students, Aria-Jefferson Health, Thomas Jefferson University and Philadelphia University Employees receive a discount on tuition at all Play & Learn centers. In addition, they receive priority enrollment at The Gerstadt Center. To receive the discount, families must provide their employee or student ID number.

2. **Sibling Discount**: When one or more siblings enroll, a 10% discount (5% discount at Abington Gerstadt Center) will be given on the lowest tuition. A minimum contracted schedule of 25 hours per week for each child is required to be eligible for this discount.

3. **Pre-Payment Discount**: Families who pay 6 months in advance will receive a 1% tuition discount for their pre-payment.

4. **Community Partner Discounts**: To find out if your company receives a Community Partner discount, contact our administrative office at 215-643-4142 or visit www.playandlearn.com.
   *Community partner discount valid for one child per family only. One discount per family. Other restrictions apply.*

5. **Military Discount**: Military families receive a 25% tuition discount at all centers.
   *Military discount valid for one child per family only. Cannot combine with other Community Partner discounts or with Abington Jefferson Health/Jefferson Hospital discount. Other restrictions apply.*

6. **Subsidized Care**: CAO and CCIS (from the child’s home county) are accepted for qualified families. Information is available from the Accounting Office.
   - **CCIS Copays**: Those families paying a CAO or CCIS co-pay of $40/week or more, will pay an additional $12/week co-pay to Play & Learn.
   - Those families paying a CAO or CCIS co-pay of less than $40/week will pay an additional $8/week co-pay to Play & Learn.

7. **Granny Scholarship Fund**: Play & Learn’s Granny Fund is available for tuition assistance. See your
Schedules

Schedule Changes
The Center Director must approve any schedule changes. During the re-enrollment process each Spring, you may make changes to your child’s schedule. Other modifications can be made with 30 days written notice. Two additional schedule changes can be made based on availability from September to August. An administration fee of $15 will be charged for additional changes during the year.

Part-Time Schedules
When a child is enrolled for less than five days a week, the schedule will be arranged according to availability in the classroom. Part-Time schedules are set and do not vary from week to week, additional days may be purchased at the non contracted rate. Due to staffing and enrollment, days may not be switched at any time. To meet the needs of some families, we try to offer as much flexibility in scheduling as possible.

Calendar Schedules
Guidelines for families with calendar schedules are as follows:

1. Calendars must be submitted 60 days in advance of service. Any exceptions must be requested and approved by the Executive Director. Any calendar not received 30 days prior to the month of service will be billed a $50 late fee. Ex: October calendars are due September 1st

2. Calendars are to be turned in to the Center Director where it will be approved dependent on space availability. If space is not available, the Center Director will promptly notify you.

3. You will be billed according to the submitted schedule with payment due by the 25th of the preceding month of service. Billing is based on your submitted schedule according to the Play & Learn fee sheet.

4. Families who submit schedules later than 60 days prior to service must provide a payment of $500 per child, due by the 25th of the month preceding service. Any difference between $500 and the actual schedule will be credited or charged to their account with any balance due immediately. Any payment not received by the 30th is subject to a $15 late charge.

5. A $15 fee will be charged monthly for the convenience of calendar care scheduling for Abington Gerstadt Center community families. All other Play & Learn families will be charged a $13 monthly fee for the convenience of calendar care scheduling. Abington Jefferson Health employees and affiliates will be charged a $11 monthly fee for calendar care scheduling.

6. A deposit (equal to the average of 3 months of prior calendar billing) will be required if you choose to take a leave of absence greater than 1 month or do not need care during a particular month. This policy is effective from October—April. A 30 day written notice with your expected return date is required. If you are unable to provide a return date, we cannot hold a spot and termination is recommended.

Holidays, Sick, Emergency & Vacation Days
Full fees are due for Holidays, Emergency, Weather and In-Service Days. Full payment is also due for all absences, including those due to sickness, weather, and non-weather emergencies. These fees must be paid to assure a continuing place for your child.

1. Holidays: Play & Learn is closed for the following holidays: Labor Day, Thanksgiving Day, Christmas Day, New Year’s Day, Good Friday, Memorial Day and Independence Day. (If the holiday falls on a weekend, Play & Learn is closed the Friday before or Monday after the holiday. Refer to the yearly calendar for all center closings.)
2. **Sick Days**: Please contact the Center any day your child will be absent. If your child is absent for 3 days or longer, **a doctor’s note is required before they can return to the center.** Families who do not make contact with their center for five consecutive days may be terminated from the program.

3. **Emergency Days**: We make every effort to remain open however in the event of severe weather, power outages or other emergencies Play & Learn Centers may find it necessary to delay opening or close. Tune in to 6 ABC or KYW for your center’s closing number. 6 ABC and KYW offer families the option to sign up for email and text alerts for school closings through their websites as well. The school closing numbers are as follows:

<table>
<thead>
<tr>

</tbody>
</table>

If we must close early or not open the center due to inclement weather or other non-weather emergencies, parents are notified by phone and/or e-mail. If the center closes early, children must be picked up before or no later than the early dismissal time. A late fee of $10 for each 15 minutes will be charged if your child is not picked up by the designated early dismissal time.

4. **Vacation**: Play & Learn offers a generous vacation credit policy. Full-time children receive an annual maximum vacation or planned absence credit of 15 days, which must be taken in five or more consecutive days. Part-time children receive vacation credit equivalent to 3 weeks of their regular part-time vacation credit. Parents must provide written notice and submit a Vacation Schedule Form to the Director at least thirty (30) days prior to the absence. Our calendar year for vacation credits is from September 1st through August 31st. Children must attend 12 full months to receive the maximum credit. Vacation credits are accrued or earned. One week vacation credit will be earned with each four month enrollment period. Vacation credits may not be carried over to the next school year.

5. **In-Service Days**: Centers are closed on designated In-Service days. The Abington Gerstadt Center will be closed to community families on these In-Service Days but will remain open for Abington Jefferson Health Employees/Students/Affiliates, Aria-Jefferson Health, Thomas Jefferson University and Philadelphia University Employees. See Calendar.

**Re-Enrollment**

A re-enrollment form will be distributed in February requesting a $100.00 per family, non-refundable, deposit and asking families to indicate their child’s upcoming summer and/or fall sessions. This will ensure placement and assist in planning groups and admissions.

- For families entering in March or April, a $100 re-enrollment deposit is required with return of form.
- For families entering after April 30, a $100 fall deposit is required with the return of form.
- Families entering after August 1st are not required to submit a re-enrollment deposit.
- For children attending the summer program only, the re-enrollment deposit will be applied to August tuition billing.
- For children attending the summer and fall programs, the re-enrollment deposit will be applied to October tuition billing.

**Leave of Absence**

All families going on a leave of absence between September 1st and May 31st must give thirty days written notice including a return date. In order to reserve your child’s placement, your account must be paid in full and one month of tuition (non-refundable) must be submitted with your thirty days written notice. If the leave is more than thirty days and the class is full, your child may be placed on the waiting list for the first available opening.
Dismissal
For various reasons, some children may have difficulty adjusting to the child care environment. In such cases, and in the best interest of your child, Play & Learn may ask that you withdraw your child. If this should occur, you will be given one week’s notice in order to make alternative child care arrangements. At rare times a family may disagree with Play & Learn’s policies and procedures. If disagreements cannot be resolved, a family may be terminated from the program.

Termination
Thirty days written notice is required to withdraw a child from the program. Payment is required for thirty days following the withdrawal notice, whether or not the child continues to attend during that period. New families who terminate within thirty calendar days of their entrance date will be charged for time spent at the center or for their deposit (whichever is greater) plus the registration fee. Written notice requesting a refund for unused days must be given to the Director within 60 days. Child records are released only by the written request of the parent.

Transitioning to a New Learning Program/Facility
Upon your departure from Play & Learn, we will at your written request transfer all of your child’s health forms, progress reports and any other information important to your child’s years at Play & Learn. Be sure to include the address of the facility you would like it sent to and your signature.

At the end of the year, at your request, for Kindergarten age students’ families, a “Transition Meeting” can be scheduled to discuss the move and for Play & Learn to provide parents with local school district information and/or services. We feel it is important to help your child feel at ease when transitioning to a new learning environment and we will do whatever we can to help your child feel comfortable with their new experience.
Communication

Phone Calls and Email
Communication is always welcomed at Play & Learn! It’s easy to reach both our Administrative and Accounting offices and your child’s center.

The Administrative and Accounting Offices are open from 9am-5pm, Monday through Friday. Contact information can be found in the front of this handbook. Messages left after normal business hours will be attended to on the next business day. Please contact your child’s center directly for matters other than Administrative and Accounting needs. Your centers phone number and email can be found in the front of this handbook and on the Parent Portal website under the “Important Contacts” tab. In the event that you are unable to contact the center, call or email the Administrative Office and an Administrator will contact the Center Director for you.

Your Director will relay messages to your child’s teachers and when necessary, the teacher will return your call.

Parent Portal
Communication with our families is very important to us at Play & Learn. To keep our families informed of upcoming events, important forms, monthly newsletters, adorable photos and more, we have developed the Play & Learn Parent Portal. Play & Learn’s Parent Portal provides access to all the important information about individual center happenings as well as organization wide information. Make sure to visit regularly for up-to-date information at www.playandlearn.com and click on the “Parent Portal” tab on the main page.

Online Communication
Play & Learn also has its very own Facebook, Twitter, Instagram and YouTube pages as well as a blog. We are excited that lots of you have found us and are following us regularly. Our goal is to share some great information with you about nutrition and recipes for kids, fun community events, educational articles, great things that your children are doing during the year and much more! You can follow us on all social media by visiting www.playandlearn.com and clicking on the social media icons on the bottom of the page.

Photos
Play & Learn staff are snapping pictures regularly of the children learning, creating art and enjoying in-house activities to share with you! These pictures are posted on the Parent Portal as the events unfold for you to enjoy. Pictures may also be spotlighted on our Facebook, Twitter, Instagram or YouTube page. We also share center happenings with our local communities and use photos for promotional materials. At Play & Learn we are excited to watch your children grow and we are proud to share their accomplishments. In order for us to do so, parents are asked to sign the photo release on the Emergency Contact form. We know you’ll enjoy sharing the photos with friends and family!

Professional photographs are taken at the Center in the fall, spring, and during summer camp.

Reports
1. **Daily Reports:** In our infant and toddler rooms, daily sheets are sent home every day informing families about their child’s day. In every preschool classroom, a communication board is updated daily to inform families of the day’s activities.

2. **Assessments:** For Infants and Toddlers, our centers use the nationally recognized ‘Ounce Scale.’ Assessments for Infants and Toddlers are conducted on a rolling basis according to the child’s birthday at the following checkpoints: 4 months, 8 months, 12 months, 18 months, 24 months, 30 months and 36 months. For Preschool and Kindergarten, our centers use the nationally recognized ‘Work Sampling System’ as our assessment tool. Assessments are conducted 3 times per year: October 15th, February 15th, and May 15th.
3. **Incident Reports:** Minor incidents that occur at the center are recorded on an Incident Report Form and reviewed with the Director who will share the information with families. Families are asked to sign with complete signature the incident report which will be kept in your child’s file. When more than one child is involved, the other child’s name will not be disclosed due to confidentiality.

**Screening, Observation, Assessment & Family Conferences**

1. **Screenings:** Developmental screenings using the ’Ages and Stages Questionnaire’ are conducted within 45 days of program entry for each child. The Ages and Stages tool evaluates a child’s progress in four developmental domains of social/emotional, cognitive, physical and language/literacy. Results of these assessments are used for referral to community resources as needed.

2. **Observation:** Teachers collect information about each child’s development through on-going observations. The results of these observations are used for curriculum planning, assessment, and individual child planning and referral to community resources.

3. **Assessment and Family Conferences:** After completion of assessments according to details described above, family conferences are offered to discuss the child’s developmental progress and behavioral, social and physical needs. Specific dates will be posted at those times. Conferences may also be requested by families or the Center Director at any time, to discuss issues that may arise.

**Family Questionnaires**

Each January, we email families a link to fill out an annual questionnaire about Play & Learn. The confidential results are tallied and comments are shared with Center Directors and Staff. This information lets us know what we are doing well and how we can improve our services.

**Back to School Night**

Parents are invited to a Back-to-School Night held each September. This is a night where parents come to school and meet with their child’s teachers to learn about classroom curriculum and activities.

**Careline**

Our CARELINE is available to you daily to assist parents with child care concerns and to offer professional advice. When you use the CARELINE, a Play & Learn Administrator will respond. Prior to using the CARELINE you may want to speak with your Director who is the best source of help and information for matters at the Center. Careline contact information can be found in the front of this handbook.
Security

Secure Entrances
All Play & Learn buildings are secured by keypad/fob entry systems. Enrolled families receive a fob or a code used to gain entry to the center. For security reasons we ask that families do not give this code to anyone (even an alternate pick-up person). Anyone without a security code will use the video monitor/intercom at the front door. Entry will be permitted after the person is identified. For training and safety purposes, video surveillance cameras are in use 24-hours a day throughout the centers. To further assist the security of the children and building, it is important that you do not hold the door for anyone when entering the building! Each parent should use their personal code.

Child Pick Up
We cannot release children to anyone other than their parent/guardian without specific written authorization. If someone other than a parent/guardian will be picking up your child, please inform your Center Director in writing. This person must be listed as an alternate pick-up person on your child’s Emergency Contact Form and must present picture identification upon picking up the child. Anyone responsible for dropping off and picking up children must be at least 18 years of age. Any situation involving special custody arrangements requires written legal documentation/a court order which must be given to the Center Director and will be kept on file.

Play & Learn staff will not release a child to a pick-up person who appears to be or whom the staff suspects, under the influence of alcohol or drugs. Staff will stay with the child at the Center and contact an alternate pick-up person. If the pick-up person insists on taking the child, staff will contact an emergency pick-up person and the police. Children of any age should not be left unattended in a car or anywhere in the parking lot during drop-off and pick-up times. All children must be secured in the proper car/booster seat. Cars are not to be left running in the parking lot.

Name to Face Cards
At our centers, we employ an extra security measure to ensure the safety of our children. Upon enrollment, the photo you supply is used to create a name to face card. This card includes the following information: child’s name, classroom name and allergy information. Each day as the child arrives, the Name to Face Card is put on a ring that is worn by the teacher at all times that the child is in his/her care. If the child moves to another teacher or extra-curricular program, that teacher or person in charge receives the child along with his/her Name to Face Card. The Name to Face Card serves multiple purposes: for the teacher to know exactly which children are in his/her care, for the teacher to have a second method of taking attendance and for teachers to be able to conduct a Name-to-Face attendance check at any time of the day. As the child leaves for the day, the Name to Face Card is removed from the teacher’s ring and is set aside in an appropriate place ready for morning arrival.

Attendance Sheets
It is very important that every child be signed in and out on a daily basis as well as communicating to staff any changes in pick up for that day. The attendance sheet is located on a clipboard in your child’s classroom or on the playground if your child’s class is outside.

Volunteer Clearances
Parents and family members who wish to attend or participate in classroom or center events are now required to submit background clearances. This includes any extended period of time during operating hours exceeding 15 minutes. This may include, but is not limited to, chaperoning field trips, assisting with classroom events, attending special events, reading in the classrooms, etc. If clearances are not on file, you may not be able to participate in center events and activities. See your Center Director for information on how to obtain background clearances.

Babysitting
Due to liability concerns, it is against Play & Learn policy for employees to provide babysitting services for our enrolled families. Play & Learn offers a group care environment and cannot endorse care in a private home.
Health & Safety Guidelines

Illness
At Play & Learn, we promote the health and well-being of the children in our centers. Our goal is to provide care as long as the child is comfortably able to participate in the program, will not infect others and does not require more attention than the staff can give in a group setting.

The conditions that require exclusion from the center are as follows:
1. Temperatures: (Taken axillary (armpit) and 1 degree added or with a tympanic (ear) thermometer)
   - Infants 4 months and younger with a temperature of 100° or greater, or
   - Children over 4 months of age with a temperature of 101° or greater, who also has behavior changes or other signs or symptoms of illness.
2. Symptoms of severe illness such as lethargy, uncontrolled coughing, inexplicable irritability or crying, difficulty breathing, wheezing, or other unusual signs (until medical evaluation determines the child can remain in care)
3. Uncontrolled diarrhea (stool runs out of the diaper or the child can’t get to the toilet in time)
4. Blood in the stool not explained by dietary change, medication, or hard stools
5. Vomiting two or more times in 24 hours
6. Persistent abdominal pain
7. Mouth sores with drooling
8. Rash with fever and/or behavior changes
9. Pink or red conjunctiva (ie, whites of the eyes) or eye lining with white or yellow pus coming from the eyes (signs of bacterial infection)
10. Head lice or nits, until after the first treatment
11. Scabies, until after treatment has begun
12. Impetigo, until 24 hours after treatment has started
13. Strep Throat or other streptococcal infection, until 24 hours after treatment has been started
14. Chickenpox (varicella) until all lesions have dried or crusted
15. Whooping Cough (pertussis), until 5 days after appropriate antibiotic treatment

You will be called if your child becomes ill during the day. If needed, you will be asked to pick-up your child. If you cannot be reached, your listed emergency contacts will be called. Parents are required to arrange for pick-up within one hour. It is important for your child to remain at home until he or she is symptom free and can participate in all group activities. You will be informed when any contagious disease occurs at the Center.

The decision whether to exclude a child from the center will be made by the Center Director or lead staff person caring for your child. In addition, a doctor’s note or plan of care may be required prior to allowing your child to return to the center.

Health Evaluations/Immunizations
For your child’s protection, we recommend that all children receive the standard immunizations including DTP, measles, rubella, polio, Hepatitis B and a TB test. We require a physician’s statement of inoculations and general medical health upon enrollment. Medical Health Forms must be updated according to the age schedule on the reverse of the form to comply with PA Department of Welfare regulations. Failure to provide updated records may result in the termination of your child from the center. Updating a form each time you visit the doctor should keep you up to date. Please see your Center Director for additional forms.
**Medication**

It is our policy not to administer any medication (including all over-the-counter medications and prescription ointments) at the Center unless it is an emergency. Please request a medication schedule from your doctor so that the medicine can be given at home. If your child must have medication during school hours, a parent should arrange to come to the school to give the medication.

Medication will be administered only when the schedule cannot be altered and with physician approval. These guidelines must be followed:

1. Provide written instructions from your doctor with date, name of medication, name of patient, dosage amount, dosage frequency, a tool for correct measuring of the medicine and reason for medication.

2. Medicine must be labeled with child’s name, name of drug, prescribing physician’s name, pharmacist’s name, dosage, time and frequency to be given.

3. Give all medications and written permission to Director (or lead teacher in her absence). Written permission from parents and Director’s approval are required for medication to be administered.

4. A Medication Form from the center must be filled out and signed before medication will be given.

**Care for Children with Food Allergies**

Play & Learn Centers are NUT FREE (includes tree nuts & peanuts). Due to the seriousness of this allergy, no foods containing peanut/tree nut products may be brought into the building. Individual child’s food allergy list is posted prominently in the classroom where staff can view and/or wherever food is served. However, food allergy is common and may show allergic reactions to several food items. Food allergic reactions can range from mild skin or gastrointestinal symptoms to severe, life-threatening reactions with respiratory and/or cardiovascular compromise. Avoidance is the best practice and our staff are trained in First Aid and Infant & Children CPR that includes the administration of the Epi Pen.

When your child has food allergies, you should provide a care plan prepared by your child’s primary care provider, to include:

1. Written instructions regarding the food(s) to which your child is allergic and steps that need to be taken to avoid that food.

2. A detailed treatment plan to be implemented in the event of an allergic reaction, including the names, doses, and methods of administration of any medications that your child should receive in the event of a reaction. The plan should include specific symptoms that would indicate the need to administer one or more medications.

Necessary medications, proper storage of such medications, and the equipment. The written child care plan, a mobile phone, and the proper medications for appropriate treatment if the child develops an acute allergic reaction is routinely carried on field trips or transport out of the center. The Director or a lead teacher in her absence will notify you of any suspected allergic reactions, the ingestion of the problem food, or contact with the problem food, even if a reaction did not occur. The Director or a lead teacher in her absence will contact the emergency medical services system immediately whenever epinephrine has been administered.

**Care for Children with Asthma**

It is important to pay attention to asthma symptoms so you can understand if an asthma attack is starting and needs treatment. The four main symptoms of asthma are: ■ Coughing ■ Chest tightness ■ Wheezing ■ Trouble breathing
When your child has asthma, you should provide:

1. An Asthma Action Plan (AAP) provided by your child’s primary care physician to prevent and to treat the Asthma attacks.

Medications including the names, doses, and methods of administration and equipment (nebulizer, inhaler, spacer, mask) with a written instruction.

**Care for a Child with a Disability or a Child with Special Health Care Needs**

Although Play & Learn is not a center whose primary purpose is to serve a population with disabilities or special health care needs, we encourage staff to take a flexible approach to combine and deliver services to children with varying forms and severities of disabilities or special health care needs.

When your child is determined to have a disability or special health care needs by your child’s primary care provider, any authorized service coordinator, or any provider of intervention services, you, parents/guardians, may arrange the therapeutic services through consultants or outside programs serving children with disabilities or children with special health care needs. These services may be available through the Individualized Family Service Plan (IFSP) or the Individualized Education Program (IEP) or through special health personnel such as RNs or LPNs under RN supervision.

You must be involved to assure that the plan is compatible with their care and determine the type and frequency of the services to be provided within our center, but agreed between you and the Director.

The formulation of a plan on how to best meet your child’s needs should be based on the assessment process and by your child’s medical care plan which is created by your child’s primary care provider in collaboration with the child care health consultant and you. Such a plan should be written, reviewed with you then it should be maintained as part of your child’s confidential record.

Your child’s teacher may become a member of the IFSP or IEP team if you so request and attend the IFSP or IEP meeting for an assessment or a review.

**Hand Washing Policy**

To comply with Keystone STARS and to maintain a healthy environment, Play & Learn has adopted a hand washing policy. Play & Learn staff will wash your child’s hands before and after eating, after outdoor play, after diapering and periodically throughout the day. **We are requesting that every parent wash his/her hands and his/her child’s hands upon entering the classroom each day.**

**Air Filtration**

All centers are equipped with air filtration ‘Sterilight’ units in every classroom. These units help eliminate airborne bacteria, viruses and other micro-organisms with carbon and particle filters and an innovative Ultraviolet Light Chamber. This disrupts vital generic components of the micro-organisms, virtually eliminating their harmful effects.

**Clean Floor Policy**

Parents must wear shoe covers before entering infant classrooms, to ensure the cleanliness of the floors.

**Emergencies**

In case of an accident or sudden illness, the following procedures are followed:

1. A phone call is made to 911.
2. Child’s parent (or emergency contact person) is called.
3. Child and health records are taken to emergency service at the nearest hospital.

In all cases, an incident report is completed and given to the parent by the Director. It is very important, especially in instances of illness or emergency that the contact information we have on file is correct. Promptly report any changes in address, phone number, employment, physician, or health insurance information to your Director.
**Staff Trainings**
All Play & Learn staff are certified in Pediatric First Aid, CPR and Fire Safety. Staff maintain their certifications through trainings provided by Play & Learn. Additionally, in-service trainings take place throughout the year.

**Playground**
Our enclosed playgrounds are designed with age appropriate equipment/surfaces, which meet the Department of Public Welfare standards for child safety. Staff members check the playground to ensure safety each morning prior to the children’s arrival.

**Child Abuse Reporting**
All Play & Learn staff are trained in child abuse reporting obligations. All staff members are required by law to directly report any suspicions of child abuse and neglect to Childline at 1-800-932-0313 as per DPW regulation 3270.19.

**Elevator**
The Abington Gerstadt Center has an elevator from the main floor to the second floor. You must hold your child’s hand when entering and exiting the elevator. No child should be allowed to use the elevator without adult supervision.
Services Above & Beyond

Early Head Start
Early Head Start is a comprehensive child development program serving children birth to 3 years. Play & Learn has partnered with Maternity Care Coalition to offer this free program for eligible families at our Norristown Play & Learn center. More information can be found at http://maternitycarecoalition.org/early-head-start/ or by calling Play and Learn’s Enrollment Office at 215-643-4142.

Pre-K Counts
Funded by Pennsylvania’s Office of Child Development, Pre-K Counts offers a free early education program for children ages 3-5 years. The program runs for 180 days during the 2017-18 school year, from 9am-3pm. Certified teachers utilize an appropriate curriculum that is aligned with state and local standards and children receive plenty of one-on-one time with the teacher in a small class size. Pre-K Counts is currently offered at the Hatboro and Lansdale Play & Learn Centers. There are eligibility guidelines that must be met in order to be included in the program. More information and the schedule for the 2017-18 school year can be obtained by calling the Enrollment Office at 215-643-4142.

PAL Parents
You will have an opportunity to join the Parent Advisory Committee (PAL Parents). The primary goals are to assist in classrooms, assist with fundraisers and plan staff appreciation activities.

Trips/Activities
Throughout the year, special in-house activities (puppet shows, traveling zoo, etc.) and field trips are planned depending on the children’s age. Parents are notified in advance when a trip involving transportation is planned. A limited number of family members are welcome to assist. Children are required to wear their Play & Learn t-shirts on trips for easy identification. T-shirts may be purchased from your Center Director. Children not scheduled on a day of an activity/trip, may attend and will be charged according to the fee schedule. If you choose to have your child at the center during an activity/trip, please notify your Center Director.

Kid’s Night Out
Our centers provide occasional evening child care so that busy parents can enjoy a night out knowing that their children are safe and cared for in a familiar environment with qualified staff. Dinner, movie and craft activities are planned for the evening.

Granny Scholarship Fund
As a non-profit organization, Play & Learn is invested in our families. Since 1988, the Granny Scholarship Fund has been assisting families facing financial hardship. Since its’ inception, the Granny Scholarship Fund has given over $1.5 Million to support over 3,800 families. Teaching our children the importance of giving and helping those in need is important to us. With your help, we are looking to continue this very important tuition assistance program. The Granny Scholarship Fund is supported by the following:

Annual Family Event
For the past eleven years, Play & Learn has held our Annual Family Event at the Elmwood Park Zoo. Families and friends join us for a fantastic evening of fun animals, face painting, moon bounces, great food and more. Since we began our event at the Elmwood Park Zoo, Play & Learn has raised approximately $150,000.

Corporate and Vendor Donations
Play & Learn receives support from various community organizations. Over the past five years, organizations have provided over $35,000 to the Granny Fund.
Parent Giving
Upon enrollment and throughout your time with Play & Learn, parents are encouraged to help support the Granny Scholarship Fund with a contribution. Your support over the past five years has given nearly $7,500!

United Way
Play & Learn’s Donor Number for the United Way Donor Choice is: 06996. Many employers offer automatic payroll deductions and also match charitable contributions made by their employees. Our parents have contributed nearly $5,000 over the past five years. Parents can contact their employer’s Human Resources Departments for more information.

Pennsylvania Educational Improvement Tax Credit
The PA Department of Community and Economic Development (DCED) has approved Play & Learn as an Educational Improvement Organization. This allows businesses to contribute to Play & Learn’s Granny Scholarship Fund and receive a tax credit for 100% of their first $10,000 contributed in addition to your federal charitable deduction. Approved in 2009, the program has given over $220,000 to Play & Learn. To learn more about the PA Tax Credit call DCED Center for Business Financing at 717-787-7120.

The Granny Scholarship Fund was designed to help families facing financial hardship maintain educational stability for their children. If you are in need of assistance, ask your Center Director for a Granny Scholarship Fund application. Completed applications can be sent to Granny Scholarship Fund at: 200 Camphill Road, Fort Washington, PA 19034 or faxed to the attention of Granny Scholarship Fund at 215-540-8181.
Community Resources

Child Care Information Services (CCIS)
CCIS agencies are the hub of child care information in your local area. CCIS agencies provide you and your family with information on quality child care and personalized child care referrals to child care providers based on your specific needs or preferences. CCIS agencies also administer the Child Care Works subsidized child care program. For all of your child care questions and needs, contact the CCIS agency for your local area or call the Child Care Works Helpline at 1-877-4-PA-KIDS.

Car Seat Clinics
Pennsylvania State Law requires that children under age 4 be restrained in a federally approved car seat or booster seat that is appropriate for the child’s age, height and weight. Children ages 4 to 8, must use a booster seat if they are no longer in a car seat. To find a Car Seat Clinic to help with the proper installation of your car seat, visit the National Highway Traffic Safety Administration (NHTSA). The NHTSA may also be able to help with reduced cost or free car seats.

Early Intervention Services
The Pennsylvania Early Intervention program provides support and services to families with children birth to age 5 with developmental delays or disabilities. Parents who have questions about their child’s development may contact the CONNECT Helpline at 1-800-692-7288. The CONNECT Helpline assists families in locating resources and providing information regarding child development for children ages birth to age 5.

Parent to Parent of Pennsylvania
Parent to Parent of Pennsylvania matches parents and family members of individuals with disabilities or special needs to supporting parents, on a one-to-one basis, according to condition or concerns.

Pennsylvania’s Local Education and Resource Network (LEARN)
LEARN teams build support networks in every county for organizations and individuals interested in quality early education. LEARN Teams bring together early childhood programs, families, school districts and child-serving organizations to assess what quality early learning programs are currently available in the community and to develop ways to encourage quality early learning. They also work with school districts and community-based early learning programs to develop ways to make smooth transition from preschool to kindergarten for child, families, and teachers.

County Assistance Office (CAO)
Pennsylvania residents can seek assistance with the Supplemental Nutrition Assistance Program (SNAP), help with child care, health care coverage, home heating assistance (LIHEAP), school meals, SelectPlan for Women, long-term living services and cash assistance through their local County Assistance Office. For more information, visit www.dhs.pa.gov.

Women, Infants & Children Program (WIC)
WIC is a federally funded program that provides healthy supplemental foods and nutrition services for pregnant women, postpartum and breastfeeding women, infants and children under age five in a supportive environment.

Children’s Health Insurance Program (CHIP)
Pennsylvania’s program to provide health insurance to all uninsured children and teens who are not eligible for or enrolled in Medical Assistance. Regardless of the reasons your children might not have health insurance, CHIP may be able to help you. 1-800-986-KIDS.
Thank you for enrolling your child at our Play & Learn center. We look forward to seeing your child grow through the years with us. Play & Learn is a non-profit, equal opportunity organization dedicated to the care and education of young children. Admission is open to all regardless of race, color, national origin, sex, age, or disability. Play & Learn does not discriminate in admission policies, programming policies, meal service, the use of facilities or employment on the basis of sex, race, color, age, religion, creed, ancestry, national origin (including those with limited English proficiency) or disability.

Play & Learn is recognized as a tax-exempt organization under US Internal Revenue Code Section 501 [c] [3] organization and as such contributions to the organization are tax deductible. **Play & Learn's tax ID # is 23-2192153.** We thank you for supporting our Granny Scholarship Fund and Enrichment Fundraising Programs.
