Full-Time Care

Children attending Play & Learn's **Full-Time Care** schedule are with us a maximum of 5 days a week, for 6 to 10 hours per day.

Your child will experience the full benefit of Play & Learn's outstanding curriculum in a safe, nurturing environment. We look forward to spending quality time with your child as we lay the foundation for future learning.

Part-Time Care

If you need child care for a minimum of two days a week (full or partial day), or morning child care from 9am - 12pm, you can enjoy the benefits of our **Part-Time Care** program.

Play & Learn provides flexible care to suit your family's needs. And even if your child is enrolled with us for a partial day and you need to add on extra unscheduled hours, no worries!

Calendar Care

The ultimate in flexible scheduling, our **Calendar Care** program is perfect for families whose work schedules fluctuate on a weekly basis. With advanced notice, simply tell us what days and hours your child will attend Play & Learn, and we will bill you based on that calendar's schedule.

This incredibly convenient service is just one more way that Play & Learn provides the most flexible child care offerings of any early education center in our area.

Back Up Care

Family child care providers, babysitters, grandparents and nannies get sick or go on vacation. School is unexpectedly closed on a snow day. After a move or family leave, parents may be in between child care arrangements, leaving you without child care.

Play & Learn's **Back Up Care** program can help by providing high-quality back-up child care. Consider Back Up Care for:

- Care provider vacation and sick days
- School vacations
- Snow days
- Stay-at-home spouse appointments (doctor, etc.)
- Employee relocation
- Changes in work arrangements
- Nanny turnover
- Business travel

...and any other situation in which your regular child care arrangements fall through.
