

Fort Washington Preschool Family Newsletter March 2020

Director's Corner

Happy March! How fast the school year is going! We are looking forward to Spring and some nicer weather! As we are hoping and praying for the nicer weather please remember to dress your children in appropriate clothing each day as we will be going outside more as the weather should be changing. Please also check to make sure your child has enough extra and weather appropriate clothing here at the center.

This month our theme is "Trees" The children will get to explore and see what animals live and what grows (fruits/leaves) on Trees.

We also have a fun month filled with exciting activities for Dr. Seuss's birthday, St. Patrick's Day and spring begins. Start looking in your child's cubbies for more information and dates for all the upcoming parties.

What's Happening at Our Center

We are getting ready and planning for the summer so make sure your Summer and Fall re-enrollment forms are in.

We are going to be looking for some new and exciting programs and events for this summer.

I would also like to share with you that I have spoken to Ms. Joan and she is feeling great. She had her stitches removed and is doing PT 2 a week. She said she misses everyone dearly.

Gertrude Hawk Fundraiser

The Gertrude Hawk fundraiser delivery will be the week of 3/30/20.
