

Royersford Family Newsletter April 2020

Director's Corner

This month kids will be learning about the recycle and reuse study. The children will be learning about the planet, why it's important to recycle and reuse. They will look at items that can be recycled, how we can save the planet, and be recycling superheroes! Along with this study, the children will each make a robot, animal, or castle out of recycled materials. The preschool class will continue practicing letters and writing their names.

Sheema

What's Happening at Our Center

The Royersford staff are interacting with families on a regular basis via email and facebook page. Teachers have been reading a story to kids. Besides this, staff have been sending study material to the children.

Week of the Young Child

Play & Learn will celebrate Week of the Young Child from April 11th - April 17th. Week of the Young Child recognizes the needs of young children and thanks educators and others involved in building better futures for all children. This year's themes include: Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday and Family Friday.

Camp Kaleidoscope - A Summer Adventure!

At Camp Kaleidoscope, children will enjoy a wide variety of indoor activities in our air-conditioned classrooms, as well as having fun in our spacious, safe outdoor play areas. Camp Kaleidoscope begins June 22nd. Your child will enjoy weekly themes such as Discover America, Game On!, Splash Mania and Awesome Adventures. Enroll today!

Reminders

Spring pics will be rescheduled.
