

Dear Families,

We are very excited to provide family apps to you that can save help you some time in your busy lives of caring for young children while also making communication easier! At Play & Learn we use two apps, Tadpoles and MyProcure! Learn more about the purpose of each app and how to access them both in the chart below!

Each classroom is equipped with an iPad or tablet specifically used for the Tadpoles program. If you see a teacher on a tablet, rest assured, they are only using the device to input information into Tadpoles. The devices are locked down, giving teachers access to only the Tadpoles software.

We consider all information captured within Tadpoles to be a private communication between our school and our families. No personal information is shared with any external parties or other families. The confidentiality of all information is maintained through the security features of the Tadpoles software.

We are committed to continually strengthening our home-to-school connection through Tadpoles and ProCare! We feel confident that you will love Tadpoles and the level of involvement it allows you to have with your child’s daily experiences while at our school. We are happy to answer any questions or concerns you may have about Tadpoles or ProCare!
