Sunblock Permission Form

It's that time again! It is important to keep our little ones' skin protected during these hot spring and summer months. We are asking that each family bring their own individual bottle of sun block to be kept here at the center if you wish for sun block to be applied. The bottle should be clearly labeled with your child's name. Please complete the attached permission slip as required by DHS.

***Please remember to apply sun block at home every morning before coming to school. We will re-apply as needed. Thank you!**
