

GIVING TUESDAY *edition*

Play & Learn Celebrates GivingTuesday with GivingTree for GivingTuesday

joining millions around the world participating in the global generosity movement on November 28, 2023.

About GivingTuesday

GivingTuesday is a global generosity movement unleashing the power of radical generosity to transform communities and the world. GivingTuesday was created in 2012 as a simple idea: a day that encourages people to do good. Over the past ten years, it has grown into a global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

Whether it's making someone smile, helping a neighbor or stranger out, showing up for an issue or people we care about, or giving some of what we have to those who need our help, every act of generosity counts and everyone has something to give. GivingTuesday strives to build a world in which the catalytic power of generosity is at the heart of the society we build together, unlocking dignity, opportunity and equity around the globe.

For more details about the GivingTuesday movement, visit the GivingTuesday website (www.givingtuesday.org), Facebook page (<https://www.facebook.com/GivingTuesday>)

GivingTree for GivingTuesday

This GivingTuesday, Play & Learn will inspire generosity by creating GivingTrees at each of our centers. Creating and growing these trees in our centers is an opportunity for our school communities to learn about and participate in the season of giving. Centers will host clothing, food, and other drives to give back to the world around them. As we give to our communities, our trees will grow!
