## Curriculum Corner

Summer camp is coming to a close, but that doesn't mean the fun and learning stop! See below for some fun summer camp highlights.

Students learned how to collage! They got to sift through magazines, pick out pictures of their favorite toys, cut them, and paste them onto paper. Activities like these allow children to use their fine motor skills and their imaginations!

Students at our Bryn Mawr center were in for a real treat with this dog act from Doggie Days! They had the chance to watch dogs perform agility tricks and more!
