

Play & Learn Community Partnerships

We offer Community Partnership Discounts to several area companies/organizations. The names and discounts are listed below. Families who wish to receive a discount must complete a Community Partnership Discount Application.

The application, along with proof of employment (copy of pay stub, employee ID, military ID or DD-214 form) must be submitted to your center/school accounting representative for the verification process to begin.

Families must also complete a Community Partnership Discount Employment Verification Form quarterly after initial application (3/1, 6/1, 9/1, 12/1) and submit to your center/school accounting representative along with proof of employment.

A reminder notice will go out in the family's tuition invoice the month before verification is due.

United States Military Veterans are only required to provide form DD-214 one time with initial application (See U.S. Military below). Quarterly verification is not required.
